4. Navigate to the alphabets folder inside of your DesignShop folder. The default folder is shown below.
  - For 64bit Windows systems: C:\Program Files (x86)\Melco\Design Shop v10\Alphabets
  - For 32bit Windows systems: C:\Program Files\Melco\Design Shop v10\Alphabets

5. Paste the 10 alphabet files you copied into the Alphabets folder (>Ctrl + v< or mouse right click and select “Paste”).
6. Go back to the folder on this USB drive called “DesignShop Alphabet 10 pack”, select the two puff alphabet style files (.ST3 files) and copy these style files (>Ctrl + c< or mouse right click and select “Copy”).

7. Navigate to the “Fabric” folder in the “FabricStyles” folder in the DesignShop folder and paste the style files into this folder (>Ctrl + v< or mouse right click and select “Paste”). The default folder is shown below.
  - For 64bit Windows systems: C:\Program Files (x86)\Melco\Design Shop v10\FabricStyles\Fabric
  - For 32bit Windows systems: C:\Program Files\Melco\Design Shop v10\FabricStyles\Fabric

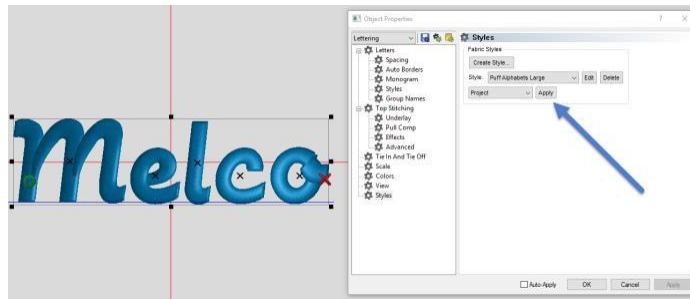

8. Launch DesignShop. If already running, close the application, and relaunch. DesignShop will indicate that new alphabets have been found and will generate previews. The new alphabets can be found in the “Custom” category of your alphabets.
9. Eject the USB drive and store it in a safe place.
10. Enjoy your new alphabets.

**Note 1:** The new alphabet files can be found in DesignShop by either navigating to the alphabet’s Custom folder or through searching the name in the alphabet list.

**Note 2:** You can quickly apply one of the Puff Style files to your puff alphabet text to speed things up and get the best quality. Follow these steps:

## Instructions on Using one of the Puff Alphabets in DesignShop

1. Select one of the puff alphabet fonts.
2. Set the letter height and type in the desired text.
3. Make sure that the text is selected.
4. Apply one of the two Puff Style files to the text by going into the Styles tab in the Object Properties window. The style properties can be applied to the Project or to the Selection.
